_____	)	

The South Carolina Telephone Coalition, on behalf of its individual member companies (see list attached hereto as Attachment A) and their affiliates ("SCTC"), submits the within Petition to Intervene in this proceeding. In support of its Petition, SCTC would respectfully show unto this honorable Commission the following:

1. SCTC is a coalition of local exchange telephone companies organized and doing business under the laws of the State of South Carolina. SCTC's members are telephone companies or telephone cooperatives subject to the jurisdiction of the Public Service Commission of South Carolina ("Commission").
2. SCTC seeks to intervene in this proceeding with full rights to participate as a party of record insofar as its interests might appear.
3. SCTC member companies are facilities-based incumbent local exchange companies operating in South Carolina. SCTC member companies also have affiliates that provide competitive local, long distance, and wireless service in South Carolina. Thus, SCTC member companies and their affiliates are members of the telecommunications industry. As such, they have a direct and substantial interest in the above-captioned proceeding and will be affected by its outcome. The SCTC's position is that it generally supports the industry consensus plan as outlined in the Petition.

SCTC reserves the right to more fully develop its position as the matter proceeds, and believes its participation in this proceeding is necessary to protect its interests and will aid the Commission in a full and fair consideration and resolution of the matter.

4. Correspondence and communications to SCTC with respect to this proceeding should be directed to the undersigned counsel.

WHEREFORE, the South Carolina Telephone Coalition respectfully requests that this honorable Commission permit its intervention in this proceeding as its interests might appear, and grant such other and further relief as is just and proper.

Respectfully submitted,
